Fall Newsletter 2012

**North Dakota's
Professional Organization
For Kindergarten Teachers**

A Note from NDKA's President:

Many, many THANKS go out to the Jamestown Kindergarten team for a very successful turn out at NDKA's 2011 Fall Conference. For those in attendance, we hope you have been putting some of those ideas into practice.

Teachers continually have to adapt to changes in their classrooms to meet the needs of children. We also have to stay current with updates in many areas of curriculum to give our students the best education available from our wonderful North Dakota Kindergarten Teachers.

It is important to experience the changes that are going on in the world of education. It is your duty to create in yourself a new birth of enthusiasm that

a conference can give you. The NDKA Fall Conference can give you the enthusiasm that you need to show the students your love for learning.

The Grand Forks K-Team and NDKA are working to put together a wonderful FALL conference for you all to enjoy. 3 Cheers for Kindergarten!!
